

Dear

Please join me at my Until There's A Cure Bracelet Party!

Until There's A Cure was the first non-profit organization to create and sell a bracelet to raise funds for a cause. The Bracelet – a symbolic, simple yet elegant, cuff-style bracelet – serves as a bridge, uniting people to fight against HIV/AIDS, and to increase awareness, compassion, responsibility, and understanding.

Bracelet sales generate income for prevention education, care services for those living with HIV/AIDS, and vaccine development. Many living with HIV/AIDS, both nationally and internationally, are in desperate need of food, medicine and education. And, in the U.S., 1 in 4 new HIV infections is among youth ages 13-24; making it clearer than ever that prevention education is imperative.

90% of the proceeds from the Until There's A Cure sales are reinvested in the Fight.

Our Dream is that no one else will become infected with HIV, and for those living with it we are dedicated on their behalf to educating all people about the virus and the overwhelming need for love and compassion in fighting this pandemic.

Please join me in the Fight Against HIV/AIDS!
