

# 4 STEPS TO SHARING

Hi, it's your friends at **Until There's A Cure Foundation**. When it comes to advocacy = you have all the tools you need to give inspiration and support. **Let's encourage people to donate, share, and advocate in their communities.** Use this guide if you feel tongue tied.

## 1 WHO ARE YOU?

Who are you, where are you from? How have you related to HIV - whether it's as a family member, a friend, or an advocate?

## 2 EXPERIENCE

What was the hardest part of experiencing HIV/AIDS? What parts of this have given you hope and community?

## 3 ADVICE

What would you tell someone who was ALMOST ready to give us support, but just wasn't sure? What gives you the strength to make this a priority? Let's pass it on!

## 4 URGENCY

Why is NOW the most important time to take action? What will a cure mean to you and people worldwide?
